Ikebana, the Japanese word for flower arrangement, is an expression of plant materials in three dimensions, while a painting is an expression of art drawn on a canvas. There is no limitation to what you can do in Sogetsu Ikebana. Anything can be used as material and displayed anywhere in any circumstances. Flowers add life to our environment by brightening it up through colors and vibrancy. You will be enchanted by the beauty of Ikebana and attain a new dimension of liveliness and value .
